

# Susan Harper, Canadian Consul General in Miami, to speak at Financial Markets and the Economy Event

USF Sarasota-Manatee, Cumberland Advisors, and the Global Interdependence Center invite you to our third annual Financial Literacy Day, to be held April 11, 2019, from 8:30 AM to 4 PM in the Selby Auditorium of the USFSM campus.

The theme this year is “Financial Markets and the Economy,” and the event will feature a number of panel discussions and special presentations, including a conversation with Canada’s Consul General in Florida, Susan Harper.

Susan’s expertise is wide and varied, with a focus on international trade in Canada, the US and Latin America, as well as the breadth of the Canada-Florida connection, in the context of the special relationship and common border Canada and the United States share. We’ll discuss with her the Canadian footprint in Florida, the new USMCA agreement,

tariffs, and more.

Financial Literacy Day welcomes the participation of the general public. The cost is only \$50 to register, and coffee, pastries, and lunch are included. Please reserve your spot soon – we expect to have a full auditorium. You can make your reservation online and learn more at <http://USFSM.edu/FinancialLiteracy>.
